

The Sacramento Police K9 Assn and Law Enforcement Chaplaincy Sacramento invite you to join us for our 8th Annual Run with the Cops 5k walk/run as a participant, sponsor, or supporter!

The K9 association provides special equipment for the K9s. In addition, after a K9 Officer retires, the police dog becomes the handler's full time family pet. The SPD K9 Association assists with the expenses of these retired dogs, including veterinary care, food and eventually, burial expenses.

For over 47 years, the nationally recognized Law Enforcement Chaplaincy Sacramento (LECS) has been committed to serving Law Enforcement personnel and their families with 24/7/365 rapid-response volunteer Chaplain Teams. They assist Law Enforcement in the field with victims of crime, help communities in crisis or disasters, and offer mutual aid when needed, to provide supportive resources, trauma care and spiritual guidance if requested.
